BIOGRAPHY

Dale Dale is a multi-instrumentalist DJ and music producer with a deep background in early electronic music, Afro-Latin percussion and esoteric dance and folk music from across the globe. With 20 years of experience as a drummer, DJ, audio engineer, electronic music composer and music producer Dale Dale employs cutting edge live remixing techniques into his seamless, hybrid sets to both push the boundaries of modern DJ performance and keep bodies moving to a harmonic mix of both old-school and futurist dance music.
